

April 2020

# Kappa Sigma

The University of Texas at Dallas

Brothers,

Earlier this semester, thanks to our Rush Chair, Brother Carson Burke, we pledged our newest pledge class, Beta Lambda. After 8 weeks of pledgeship, led by Brother Kameron Jong, we were thrilled to welcome 6 new Brothers into our beloved fraternity. We are excited to see what they bring to our chapter and may success attend to their efforts!

## Spring Pledge Class

## Stephen Alonzo Jackson Weekend of Giving

In honor of our very own Golden Hearted Virginian, brothers and chapters across the country donated from March 6th-8th for scholarships for brothers. Our very own chapter donated a total of \$1,566 and we would like to give a special shout out to Brothers Jason Marchetti, Eric Fischer, Thomas Farquharson, Dan Hill, Robert Scholer, Jay Bruner, and Apoorv Vaidya for their generous donations. Kappa Sigma raised a total of \$545,465, and by showing this much support for our brothers, we have once again proven that we are second to none!

## Executive Committee Elections

After this year's EC elections, we are proud to announce our Executive Committee for the 2020-21 school year. We can't wait to see these brothers lead our chapter to even greater heights.

## COVID-19 Relief Campaign

In order to do our part to help in the wake of the COVID-19 Pandemic, Nu-Omicron started a merchandise campaign. We were able to raise over \$30,000 for the Frontline Responders Fund for COVID-19 relief!

## Spring 2020 Update

Unfortunately, due to the COVID-19 Pandemic, the University of Texas at Dallas has made all classes online and cancelled all campus events for the time being. While this development has forced us to cancel events such as PR week and Formal, we are hoping that once the situation settles down we will be able to resume normal chapter activities. We hope everyone is staying safe, maintaining social distance and staying positive during these trying times.

Additionally, we are very proud of our senior brothers for their upcoming graduation and want to congratulate Brothers Navin Raju, Shazil Jafri, Andrew Realpozo, Anthony Belli, Mohamed El-Malah, Max Bogart, Owen Skorcz, Trevor Madden and Josh Hutchinson. They will be leaving a lasting impact on our chapter because of all their hard work and contributions, and we know they will see nothing but success in their future endeavors.
